

September 10, 2009

The Bishop Amateur Radio Club was held Thursday September 10<sup>th</sup> at 7:00p.m. There were 17 people present. Mike Fitzsimmons approved the minutes and the Treasurer's report. There were 5 donations. Some to Grant Story's Memory. The Edison Bill was \$35.68. Bob Moss was reimbursed \$278.58. For radio antenna and equipment for Silver Peak. There is \$ 1,372.70 in the checking account and \$1,010.88 in the savings account. Old Business: We had a discussion on our Liability insurance which is \$320.00 should we get it again? We only have 30 paid members. We are incorporated. Do we really need insurance? We probably don't have enough members for insurance. ~~There was a motion to vote on insurance.~~ Mike Fitzsimmons motioned ~~to not renew the insurance.~~ Dick Priddy seconded the motion. We are not going to get insurance anymore until we have more than 60 members or above. Bob Moss, Adrian and John put up antenna at Silver Peak. Everything went well. We talked about antenna on the east side of the pole. We need to get a pole like Edison has. We can order a Filistrphned for \$30 or less from AES apx 50 ft-100 ft spool. We made a motion to by a spool per Mike Fitzsimmons. Dennis seconded the motion. Everett has some stuff from Grant that he wants to get rid of. New Business. Grants Coax will be put in Bob Moss's Barn. If anybody needs it. Bob will bring it down. Motion to adjourn meeting at 7:41. Bob Moss seconded the motion.
