

The Bishop Barc radio meeting was held Thursday January 13, 2010. It started at 7:05 pm. There were 11 people present. Marie Boyd was a guest speaker. Everett brought maps on packet and Condor connections. The Treasurer's report. Edison Bill was \$42.69. The balance in the checking account is \$1,395.87 and in the savings it was \$1,011.06. There was no real business at the Christmas Party. Marie Boyd said the 100k will have some ham operators from out of town. Dick from Ventura will set up the program for the run. There are 50 people signed up already. There was an eye injury last year and Marie communicated to doctors with the eye injury of the runner. Ham radio communications can be very important. She welcomes our participation. It will be held the 3<sup>rd</sup> Saturday of May. Which will be the 15<sup>th</sup>. Dan Dick a dispatcher from Ventura would be a good candidate for dispatcher for the races. It will not be done electronically this year. The web sight is bhs50.com. It will start at 6:00 am Saturday and will probably not be done until 1:00 am Sunday. John will take care of finding a PA system.

Business: More power at Silver Peak discussion. Walt has APRS information Passes going into Silver Peak. 144.39. You can watch aircraft also. 900 system. Mark said NC9RS Greg is running 900 system. It is linked to Las Vegas, ect. Might get instructions for system. Mike donated coax antenna, radio ect. To get system going. There is a 19" cabinet up there. Walt also said he has a replacement cabinet for Silver Peak. BARC Dues are due! The meeting was adjourned at 8:05. by John Patzer. Mike Fitsimmons seconded the motion.
